

## **Assessors Complete Re-Accreditation Inspection of Police Department PD Receives Accolades in Verbal Report**

---

From Sunday, April 7 through Wednesday, April 10, assessors from the Commission on Accreditation for Law Enforcement Agencies (CALEA) inspected all aspects of the Village Police Department's policies, procedures, management and operations. The two assessors police chiefs from Ohio and Michigan spent time with individual employees, they interviewed Board members and other community leaders, they toured the Village and the Village Hall, they scrutinized our policies and evaluated the documentary evidence that proved that we follow our policies.

We are pleased to report that the assessors were extremely impressed with the Police Department and its employees, and they were effusive with their praise of the level of the services that we deliver and the professionalism of the staff. The Department expects to receive its formal re-accreditation award at the CALEA convention in Columbus, Ohio in early August.

## **Crime Activity for the Week of April 8, 2013**

---

**Unit block of Oxford Street:** At 2:00 a.m. on Saturday, April 6, a resident witnessed a would-be thief open the unlocked door of his car that was parked on the street; the owner yelled at the suspect who immediately ran off without taking anything.

**Rambling, anti-Semitic handbills found on the west side:** Residents reported finding rambling, nonsensical, anti-Semitic fliers on the sidewalk along Oliver and Montgomery Streets. These handbills were extremely similar to ones that were left in early 2010. Montgomery County Police have been made aware; there are no suspects at this time.

## **National Medication Take Back Day is April 27 Dispose of Unused Medication Properly and Easily at the Village Hall**

---

Unused medication is a source of two significant and preventable problems: environmental pollution when they are discarded improperly and substance abuse when they fall into the wrong hands. So how should you dispose of unused medication? This year, your Village Police Department is participating in a national medication take-back day on Saturday, April 27 from 10:00 a.m. until 2:00 p.m. The event is sponsored by the federal government, and law enforcement agencies throughout the nation are participating. Simply bring your unused

prescription or OTC medication (no liquids, please!) to the Village Hall and drop it in the box that will be attended by a police officer. The Police Department will dispose of the medication properly.
